Forecast for Sunday 05 Nov 2023

Weather: Many ranges will have a dry day with some sunny intervals. A few showers will affect coastal ranges throughout the day. Inland Argyll and the Trossachs will see a lot of dry weather but the odd shower will extend inland in the afternoon and evening. Chance of thunder along the coast. Showers wintry on the very highest tops inland.

Chance of cloud-free hill tops above 800m: 70%, best in the north

Low Cloud and visibility: Poor in any low cloud in showers down to 700 metres. Otherwise excellent visibility with great air clarity and only small amounts of summit cloud. Some freezing fog in the glens at first.
